## FROM THE ARCHIVES

2014 bulletins will focus on the years 1971 through 1989.

October 1978

Amateur Radio News Service (AENS) reprinted the article "Comment" by Charlie N5TD, which ran in the August TARC bulletin.

October 1979

Monday night net changed from 8 PM to 7 PM to keep from conflicting with Monday Night Football.

October 1980

Emergency generator needs work. *I'm guessing this was the old surplus Civil Defense generator TARC used to have.*

October 1984

TARC emergency communications trailer gets an air conditioner and new tires.

October 1985

Member of the Month was Merrill Eidson W5AMK.

October 1986

Talent Show program. Bill B5BSW will sing Danny Boy, John W5BEQ will do a ballet to Swan Lake, Roman W5VLF will dance an Irish jig accompanied by Merrill W5AMK on his hand saw playing Minute Waltz. *Don't know if any of this happened but it would have been a site to see.*

October 1987

A number of hams have had run ins at Walmart over surrendering talkies at the door. Bob W7KPW and Chuck N5IRB visited with the store manager. In the future it should be sufficient to tell store personnel that it has been arranged with the manager for hams to keep their talkies.

October 1989

Part 2 of Roberts Rules, meeting etiquette.

Bits and Pieces – James Cleveland N5ONI passed the written exam for General.
