AUGUST MEETING IS THE ICE CREAM SOCIAL!!!

Field Day

Field Day was canceled due to low participation. Club president Joe, N5JWM is planning for TARC to hold an event later in the year when the weather is cooler. This TARC 'field day' could coincide with some local event. If you have any ideas for either events or locations let Joe know.

4th of July Parade

While a couple of regulars were unable to participate due to illness TARC still had a great turnout to help with the Belton July 4th parade. Everything ran smoothly. Thanks to all that helped out.

Ham Expo

Registration went live at the beginning of July. Vendors must have been watching the Eventbrite site because response was instantaneous.

VE Testing Schedule Change

The schedule for VE Testing has been changes. Since there are other groups offering testing on the first Saturday of the month, testing will be changed to the second Saturday of each month.
