JUNE CLUB MEETING

Emery, KG5HFI is checking into the possibility of having an outdoor June club meeting at the pavilion at Sammons Park.

If this is not possible we will have an on the air club meeting Thursday June 4th on the 146.82 repeater at 7:00 PM

Due to the current situation TARC will not have pizza as is customary for our June meeting.

FIELD DAY

No decision has been made regarding participating in Field Day. Interest in Field Day over the past couple of years has been low so it is doubtful that TARC will compete as a club this year.

4TH OF JULY PARADE

The city of Belton has not made a final determination regarding the Belton July 4th parade. TARC's participation, which involves helping entrants line up properly, could probably be done safely. It is the crowd gathering to watch the parade that is the concern. Social distancing would be impossible in practical terms.

FALL HAM EXPO

At this time TARC is preparing to hold Ham Expo in October.
