HAM EXPO!!!

It is once again that time.
If you can help out in any way, for any length of time no matter how short please make an effort to do so.

At noon on Friday we need about 4 people to help number tables and then put up signs and direct traffic. Mid afternoon these people will likely want to be replaced by other workers. Once we get into the evening things slow down and there isn't a huge need for help.

On Saturday we need 3 to 4 people to check vendor passes and direct traffic starting at 5:30 AM. At 6:45 AM we need people to man the admission lines and sell raffle tickets.

The plan is to have a worker appreciation breakfast the following Saturday at the Temple Golden Corral.

Bylaw changes on Standby

At the September club meeting there was discussion regarding the section of the bylaws pertaining to club elections.

A nominating committee was selected so the board has decided not to proceed at this time to amend the bylaws at the November club meeting prior to club elections. There will be future discussions on sections of the bylaws that might need to be amended.

While a nominating committee was formed the committee was not successful in developing a list of club members willing have their name listed for consideration.

As such, the November club elections will see nominations from the floor.

Most of the current TARC officers are willing to continue to serve but it is hopeful that others will come forward at the November meeting.

Editor's Corner

The amount of work needed to prepare for Ham Expo took more time than I planned. Because of this I regret that the November bulletin is so short.
