greencountryhamfest.org

Change in traffic route to Western Hills Church of Christ

The I-35 expansion has resulted in the temporary closure of General Bruce Dr in front of the Church. You must enter the back way. On Airport Rd take N 43rd street. Purvis Industries is located at this intersection. North 43rd connects with Church St, which leads to the parking lot behind the Church

Bell County Skywarn

We have been experiencing cold weather but spring will soon be upon us and that means severe weather season. Mark your calendars for Saturday February 8th. Skywarn will be held at the Belton ISD Administration building. Basic session from 9:00 A.M. to Noon. Advanced session from 1:00 P.M. to 4:30 P.M.

Army Marathon

The second annual Army Marathon will be held Saturday March 2nd. The number of participants is expected to increase over last year. A half marathon has been added.

Ham License Classes

Skywarn will see TARC have a sign-up sheet for amateur radio classes. Expected start date of classes is February 11th. Classes will depend on which license class people are interested in. Classes will be Tuesday and Thursday nights at 7:00 P.M. Classes will be held at Western Hills Church of Christ.

Ham Expo

Not too soon to be thinking about March 28th and 29th. The TARC officers are working on purchasing new Ham Expo Staff T-Shirts. Currently club members have a mix of two different yellow Ham Expo T-Shirts and two blue TARC T-Shirts. A unified look will make it easier for participants to locate and identify workers and also make workers stand out. T-Shirts will have HamEXPO with STAFF underneath on the back and HamEXPO on the front over the left breast.

SAVE!

The Board agreed and the club members present affirmed a motion to offer free dues for 2014 to any club member that comes to club meetings for the first 90 days of the year and fills out a member information sheet. It is hoped that this will be incentive for more members to make club meetings.
