UPCOMING EVENTS

Club Meeting Thursday January 2nd 7:00 P.M

**Don't forget the Monday night net!
7:00 P.M. on the 146.82 repeater.**

Temple Christmas Parade

The Temple Christmas parade was blest with clear skies and cool rather than cold temperatures. Parade staging went very smoothly with a minimum of problems.

The city of Temple will be making changes to the staging area next year if plans go well. Non dignitary entry staging will move from residential 8th street north of Adams Ave to 6th street south of Adams Ave. The dignitaries will still stage on 6th street to the north of Adams Ave.

This should reduce the amount of non parade traffic in the staging area. Additional positives will be no tree limbs in the staging area and the pavement is in better condition. The parade committee will hold additional planning meetings to prepare for this change.

TARC Christmas Dinner

Club members enjoyed the TARC Christmas dinner that was held at The Gin in Belton on December 5th. If anyone has any thoughts on how to make it better in 2020 be sure to speak to the incoming TARC officers for 2020.

Spring Ham Expo

On line registration was a couple of weeks late going live but vendors are already making up for that. Registrations have been brisk the past few days. As is often the case for the spring event the date is earlier this year, March 13th and 14th. The Fall event is on its regular first weekend in October.
