BELTON JULY 4th PARADE

TARC is in need of volunteers to work the parade this Saturday July 3rd. Only four signed up last club meeting. We really need a minimum of 8 people just to be able to double up the four locations we must cover. Please consider spending a few hours to help make this Independence Day celebration a success.

Weather is expected to be in the mid 80s Saturday morning and a chance of rain. It won't be hot.

We will meet at 6:30 AM Saturday morning at 800 Industrial Blvd in Belton. This building is where UMHB has its electric carts. The building is set back from the street and has three flagpoles in front of it. It is adjacent to the back of the North Belton Cemetery.

Please bring an HT if you have one and a safety vest.
