HAPPY 
Mother's
DAY

Central Texas Air Show

The Central Texas Air Show is this coming weekend Friday thru Sunday May 4th thru 6th. John Hobson WD5BFS is coordinating the shifts for volunteers to operate the radio check out station.

Ham Expo – Highs and Lows

Friday set up was definitely a high. It was warm and comfortable with everything running pretty smoothly. Saturday began cool and quickly became cold and damp.

There was a slight increase in vendor no shows. Two commercial vendors were unable to make it due to health issues. If they had been here it would have been a sold out show.

Attendance was down a little but you really couldn't tell it inside because just about everyone stayed in the building rather than brave the weather outside. The good thing was that the wind direction kept the wind from coming inside the main door.

Thanks to everyone for continuing the hard work that make Ham Expo the success it is.

Upcoming Events

It won't be too long before we will be thinking of Field Day and the Belton July 4th parade. If you have ideas regarding Field Day be sure to bring them up at the May and June club meetings.
